Multi Fuel Stoves

BRITISH MADE

Taurus 400

Affordable Quality, Excellence as Standard, Designed & Manufactured in the UK

For more than 30 years Nu-Flame has brought together the very best of British Innovation, Design and Engineering to bring customers a range of the highest quality gas and electric fires. We have now added Multi Fuel stoves to our range of products, all designed and made to the same exacting standards we have always insisted upon.

Nu-Flame, a family run business, has invested heavily in its own state of the art factory in Surrey. Unlike many other companies we choose to manufacture all our products right here in the UK and this enables us to ensure that your stove is ethically built to the highest standard using the best quality materials.

By choosing a Nu-Flame stove you are directly supporting UK manufacturing and UK jobs.

Taurus 400 & 450 Multi Fuel Stoves

Efficient Multi Fuel stoves with clean modern lines that will enhance any room!

Taurus stoves are high quality heavy gauge steel stoves, designed and manufactured using the latest CAD design and state of the art machinery.

Designed to the very latest EcoDesign 2022 standards and DEFRA approvals, the Taurus range incorporates clean burn technology to reduce emissions and an air wash system to keep the viewing glass soot free.

Available with either a black or chrome handle and an optional log store. Designed to suit a 12mm hearth.

BRITISH MADE

Taurus 450

Optional log store lifts the stove 190mm off the hearth creating a 300mm high storage space.
